RUDOLPH APPOINTED TO MILESTONES BOARD OF DIRECTORS

CLEVELAND, OHIO – January 12, 2012 – Stephen L. Rudolph, MBA, AIF®, Managing Director of **HW Financial Advisors**, has been appointed to the Board of Directors of Milestones Autism Organization.

Beachwood-based Milestones Autism Organization promotes life-long strategies of success for individuals with autism, from childhood through adulthood. To improve the level of educational and therapeutic programming available to individuals with autism, Milestones focuses on training professionals, paraprofessionals and parents in research-based successful educational interventions. For more information about Milestones, visit them online at www.milestones.org.

Rudolph specializes in fee-based investment management, comprehensive wealth management and alternative investment research. He believes in a personalized approach that includes frequent client contact, educating individuals and providing solutions for their unique needs. Steve has a strong interest in behavioral finance and the psychology of why investors make poor decisions.

“I am honored to be a part of an organization that is so dedicated to the families of our community. I look forward to contributing my knowledge and expertise to Milestones,” said Rudolph.

About HW Financial Advisors:

HW Financial Advisors, an independent Registered Investment Adviser with the state of Ohio, provides comprehensive and conflict-free financial planning services for businesses and individuals. For more information, please visit us online at www.hwfa.com.
